

BENA ARFA TAREK

Link portfolio : <https://tarek12345.github.io/tarek/>

Dynamic and versatile, I am passionate about innovation and problem-solving. With a solid background in engineering, I have acquired expertise in developing effective and sustainable technological solutions. My professional experience has allowed me to develop skills in project management and teamwork, as well as an ability to adapt quickly to new environments. Always eager to learn and take on new challenges, I am looking for opportunities where I can put my skills to use and contribute to the success of stimulating projects.

PROFESSIONAL EXPERIENCE

Medisys (ACCON-RVS Accounting) | Full-Stack Developer
2024-Present
